Protect yourself

Protect your mates

Make it easy

Do you sometimes struggle to find answers to things that worry you online?  
Had bad wall posts from people you don't know?  
Had a chat conversation that went sour?  
Seen something written about you that isn't true, or worse?  
Has your account ever been hacked, even just as a joke?

Don't let it happen again. The ClickCEOP app is for you and it comes in three parts.

## Get the ClickCEOP tab

Protect yourself

The ClickCEOP tab will help you stay in control. It will guide you through easy steps to stay safer online.

Add the tab today and it will be there on your profile whenever you need it.
